Human Art or Ai Art?

The title for my site

Colors

Background color

Color: #545454

Text color

Color: #19B3E4

New text color

Color: #FF6347

These are the colors that I will be using for my website. They will change when the user scrolls down.

The buttons would look something like this

It's something basic but that's what I'm going for.
